Ms. Lybarker,

I comprehend the legal reasons for you to decline an opinion. As a party of record you have received notifications of the filings in cases 2018-379-E, 2019-230-3, and 2019-331-E. If you have not read them, I implore you to do so, if left unchecked this abuse of power will ensure a stripping of rights and a future without privacy for all South Carolina citizens. I am not asking for representation, or for you to intervene in every case that comes before the SC.PSC, just your opinion.
